

STAIR NOSING PROFILES

PRODUCT CATALOGUE

STAIR NOSING SOLUTIONS

DTA offers a versatile range of high quality stair nosing profiles to enhance safety and style.

Compliant with Australian standards, our profiles suit various surfaces—including carpet, wood, vinyl, and tile—providing reliable grip across applications. DTA provide a range of colour options for selection to achieve the luminance contrast requirements for your project.

Available in a selection of contemporary finishes, DTA's profiles seamlessly integrate into any space, elevating functionality and design.

Range of
applications
